For some, the weeks before Christmas can be the busiest ones of the year, as they look forward and make all kinds of preparations for family celebrations. For others, it can be a time of sadness as they look back at Christmases past and they miss, more particularly, those they have lost. For Christians it's a time of looking back and looking forward and, of course, being in the present. An important step for all of us is to take time out to prepare spiritually. Everyone is welcome to any or all of the services around our group of churches – come and feel warm from the inside and give thanks for all our blessings. Let's spend a little time to thank God for the birth of Jesus and the hope that it gives us all when we accept him and I pray that you may receive Christ with joy this Christmas.

You know what would be good? Why not this Christmas give something to someone who is worse off than you. Why not donate something to Jimmy's Homeless Shelter in Cambridge (www.jimmyscambridge.org.uk) or to the Shoebox appeal (www.smileinternational.org/christmas-shoeboxes.htm) or the foodbank.

This time of year we also look forward to a new year. Some of us may attend parties to welcome it in or others may see it in through closed eyes and maybe a little snore; but whatever way you do New Year's Eve I hope and prayer that it will be a most excellent year for you and your loved ones.

Hope to see you at one of the services over the Christmas period in a church near you. Merry Christmas to one and all. ("Has he been yet? No go back to sleep")

Love and God Bless *Ken Waters*

Ken Waters

The Christmas TV adverts are out and I have found that my favourite, which I have a soft spot for, is the Virgin telephone one on the station (I'm an old romantic really). Do you have a favourite?

Joke Spot: *Little Johnny and his son were putting out cookies for Santa on Christmas Eve, he accidentally dropped one. "No problem," Little Johnny said, picking it up and dusting it off before placing it back on the plate. "You can't do that," argued his four-year-old son. "Don't worry. Santa will never know." He shot Little Johnny a look and said, "So he knows if I've been bad or good, but he doesn't know the cookie fell on the floor?"*

Growing old is inevitable, growing up is optional.

Remembrance Day November 12th 2017

A group service for Remembrance Sunday was held at Fincham church, for the parishes of Beanchamwell, Boughton, Fincham, Shouldham and Shouldham Thorpe. More than sixty people attended the service, taken by the Rural Dean, the Revd Canon William Burke. It followed the format which has become traditional, where representatives of each village presented their wreaths at the altar and later read out the names of the lost from each village. It was very moving to hear the repetition of some names from some villages. After the service, refreshments were served. Thanks to Fincham for hosting the service.

Lest we forget

Remembrance Day services are, by their very nature, emotional occasions. Somehow this year's service at Barton Bendish was made deeply personal and more meaningful, even for those of us not born in the village. This was largely owing to the wonderful book which David Mason has compiled, giving us details of the lives of those people named on the village memorial. These were read out during a fascinating service which took place partly in the church and partly in the crisp air by the War Memorial. In the moments of silence around this part of the service, many of us noticed a robin standing to attention on a nearby gravestone, seemingly absorbed by our unusual reflection. The sound of pigeons was all that could be heard. These sounds and sights will have been much as they were when our brave soldiers left, never to return. The thought of their gallantry, and of young lives so cruelly taken away, is unbearably poignant. Our thoughts would also have been with the people we know, or have known, who served in the Armed Services. In particular, I thought of John Hayward Hunt, who died in German South West Africa in 1915, and who has no known memorial.

We Will Remember Them

At the time of printing, we do not have the services for January, so cannot publish them as usual. I can try to send them out with the pew sheets and they will be available at the churches later in the month. Pam Wakeling

NEWS FROM THE FOUNTAIN AT SHOULDHAM!

It's been a few months since I last contributed to the Group News, and since then we've had a few events that I'd like to tell you about.

Firstly, we had a lovely **Forest Church** gathering on **Sunday 1st October**. This was our last outdoors event of the year as it's gradually getting cooler! We learnt all about Moses' life - how he was rescued by Pharaoh's daughter as a baby, how God spoke to him through a burning bush and how God used him and the plagues to try to free the Israelites from slavery in Egypt under Pharaoh. The event was attended by around 50 people including around 25 children, and we had lots of fun!

We followed on this theme on **Sunday 5th November** when we held our **All-Age Church** event at Shouldham School. This time we focused on the last plague God sent to the Egyptians, the death of the firstborn, and how God protected the Israelites from this through the **Passover**. We shared the Passover meal together and it was led by two lovely ladies, Amanda and Karen from the ministry 'Your People My People'. It was a really lovely event which connected the Passover to the work of **Jesus** through the cross. We ended the afternoon with fireworks on the School field which was great! The event was attended by 45, about 23 of whom were children.

Since I last wrote, we have also started a new type of event at The Fountain called **Sanctuary**, just for adults. We held the first one on Tuesday 17th October at Boughton Church, in the evening. The aim of this event is to give people a chance to get away from it all, have some time out and be still in God's presence. It was a lovely evening. After the event I received this email, which I wanted to share with you.

*Dear Angela,
What a truly beautiful evening last night! I didn't know what to expect, but had such a warm welcome as soon as I arrived .*

Boughton Church looked lovely as usual and this was enhanced by the soft guitar music and the candles. I enjoyed the mix of lovey modern hymns, the musical accompaniment, the short video about the importance of taking time from our rushed lives to...BE STILL, and also the time given for quite reflection. I came away in a honey bubble and feel enriched by it all, by the words, the music□, the friendly company, the setting and the silence. I know the friends who came with me felt the same.

Having talked about this event to others, they said they would like to know of future events like this.

*Thank you and your helpers so much
Chris xxx*

We hope to hold these events on a monthly basis, and we have an e-mailing list to notify people of the upcoming dates. If you would like to come, or would like more information, please contact me so I can add you details to this list on angelaicaley77@gmail.com, or 01366 348371. We would love to see you there!

Our final family event of the year will be **Christmas Church**, held on **Sunday 10th December** from **10.30am - 12pm** at **Shouldham School**. There will be lots of fun, carols, crafts and festive food so please spread the word! The more people the merrier!

And looking to the new year!....we are hoping to run a three week course at **The King's Arms cafe, Shouldham**, called **CAP Money**. The course is for anybody, whether you have lots of money or not a lot! It's aim is to help manage the money you do have in a more effective way. I've done the course and have found it really practical and beneficial to us as a family. So if you know of anyone who might benefit, please do let them know. We are hoping to run it on a

Tuesday morning from 10am - 11.30am, starting on **23rd January**.

That's all for now! We hope you have a wonderful Christmas and New Year!
With lots of love,
Angela Caley

VOLUNTEERING IN ZAMBIA WITH 'INTERNATIONAL CITIZENS SERVICE'

I am now half way through my 12 weeks of volunteering in rural Zambia. It has flown by in a whirl of lessons in school, helping out at the clinic and engaging with the community at every possible moment. I am in a team of four girls: two Zambians, one Welsh and myself -luckily we live and work really well together.

In some ways, Munyama, where I am based, is similar to Beachamwell - we're surrounded by fields, although these often contain wandering goats and the community is very supportive and helpful. But there are some stark differences: we regularly have to kill scorpions in our house, we have to collect water daily, and an 18 year old student asked us what the difference was between circumcision and condoms for preventing HIV transmission. Knowledge on sexual health is very low here, which means we can really make a difference.

We had our first big community event on 9th November: we held a fundraising concert for a new grade 10 classroom to be built (as without it, students often leave school, or have to travel to town which is very expensive). The event was a great success, the atmosphere was amazing, the students all performed really well, including a mini play on early pregnancy, a song about AIDS, and a poem about peer pressure; the Department for Education visited to show their support, and we raised over £60. This money will go really far in Munyama.

In a few weeks' time we are also planning to hold an event at the clinic around

condom use, aimed at youths, as teenage pregnancy is the biggest issue here.

This has been an incredible experience so far and I would recommend the ICS programme to anyone eligible (18-25 years old, UK resident). Thank you again to everyone who donated when I was fundraising, I'm very grateful that they made this

possible. **Emma Lewins (Beachamwell)**

Free magazine inspires families to get active this summer

Together with Active Norfolk, NCC Public Health has launched a free magazine which aims to inspire families in Norfolk get more active this summer.

Packed with ideas for cheap, fun activities and days out, **Get into Summer** aims to support cash-strapped families struggling to keep kids entertained during the summer holidays.

From free outdoor gyms and guided cycle rides, to park theatre and pond dipping, the magazine features activities to suit all ages, abilities and budgets.

Pick up your copy to find out more about a FREE six-week programme of family activities, starting this summer, with courses like Family Dance at The Garage, Norwich; Cycle Confidence on the Great Yarmouth seafront; and Swimming at St James, King's Lynn.

There's also a chance to win Halfords bikes for a family of four and a glamping holiday in West Norfolk courtesy of West Lexham, as well as money-saving vouchers to help you cut the cost of keeping your family active.

Launched in the Eastern Daily Press and some of Archant's weekly titles on June 26, copies of the free magazine are also available at Norfolk libraries and children's centres.

Part of a joint campaign by Norfolk County Council Public Health and Active Norfolk, **Get into Summer** is being launched in response to the falling levels of activity in Norfolk among adults and children and the impact of this on their health and wellbeing – now and in the future.

You can find out more and view the magazine online at www.norfolk.gov.uk/getinto

Free home assessments on offer

Older, disabled or vulnerable residents of West Norfolk are being encouraged to book an appointment for a free home assessment from Careline Community Services.

The assessments, which are carried out by a team of qualified staff, will help residents, who may be living with a disability or dementia, or who are simply older and less mobile, to identify concerns in their property which may be affecting their day-to-day life.

The assessor, trained by the Disabled Living Foundation, will inspect the home to see whether measures could be introduced that would reduce the possibility of slips, trips and falls and generally make it easier for people to live safely and independently in their own homes.

Measures that could be considered include installation of a Careline personal alarm, improved lighting arrangements, heating checks, draught proofing, smoke detectors and easy-to-use taps along with recommendations for other adaptations that may reduce any potential risk to the resident. Practical solutions for those living with dementia are also available, this includes signage or colour differentiation for those who suffer with memory loss and are visually impaired.

The assessors will also be able to advise whether any grant funding is available for any works required.

To book an appointment call the Careline Community Team on 01553 760671 .

COUNTRYSIDE NOTES DECEMBER 2017

Along the A1122 to Swaffham there was a field of lettuces. A gang of people set out the small plants on August 12th and I marvelled afterwards at not only how quick they grew but how perfect they all seemed. Nine weeks later picking began and three weeks after, the field had been cleared. Anybody who's tried growing fruit and vegetables in their garden will know only too well that it's near impossible to get a uniformly perfect crop. Pest, disease and variations in the weather all take their toll. I'd love to know how growers achieve such success. I don't suppose hardly anyone purchasing fresh food ever gives a thought as to how it's produced. We just take so much for granted these days. When I was a child fruit and vegetables in the shops was seasonal. Salads and soft fruits in summer, plums and cherries a bit later, sprouts, parsnips and swedes in winter and so on. Oranges, dates and nuts were Christmas treats. Now supermarket shelves are packed throughout the year with a huge variety of fruits and vegetables from around the world - and it nearly always looks perfect. The 'country of origin' may well be South Africa, Egypt, Chile, Kenya, Spain, New Zealand or Australia. Nowadays we just expect to be able to buy what we fancy when we fancy it. We can have strawberries at Christmas and parsnips all summer.

Talking about taking things for granted, we do the same with people. For no charge each month our parish magazine, packed full of news and information, appears through our letterboxes, but how many people spare a thought as to how it gets there? It doesn't just happen. Many people contribute to the finished article. It takes a lot of their time and none get paid for the work they do. To begin with village representatives gather together the news and submissions from their respective villages. Next it's the turn of editors Pam and Eileen to compile the whole magazine - articles, village news, adverts etc, which doesn't always turn out to be straightforward. Once finished the copy is sent off to printers in Downham. When completed it has to be collected and distributed by those kind people who trudge round our villages delivering our G4s. It's also so easy to take for granted the anonymous unpaid army who help preserve the community spirit. They organise and help at events. They make cakes galore, do a bit of painting where needed, clean the church and village hall. Here in Barton we should thank Albanwise Ltd for keeping our village looking neat and tidy, Ernie who has kept St Mary's churchyard spic and span, and David who provides and tends the tubs of flowers by the seat. We should never take people like them for granted. If you're not already a helper but would be willing to lend an occasional hand please contact your local village representative listed inside the front cover of your G4.

Happy Christmas everyone

Thanks, Jill . Ed.

SYMBOLISM OF THE ADVENT WREATH CANDLES

Set on the branches of the Advent wreath are [four candles](#): three purple candles and one pink candle. A more modern tradition is to place a white candle in the center of the wreath. As a whole, these candles represent the coming of the [light of Christ](#) into the world. Some churches use four red candles and one white, while some use solely white candles.

Each week of Advent on Sunday, a particular Advent candle is lit. Catholic tradition states that the four candles, representing the four weeks of Advent, each stand for one thousand years, to total the 4,000 years from the time of [Adam](#) and [Eve](#) until the [birth of the Savior](#).

On the first Sunday of Advent, the first purple candle is lit. This candle is typically called the "Prophecy Candle" in remembrance of the prophets, primarily [Isaiah](#), who foretold the [birth of Christ](#):

Therefore the Lord himself will give you a sign: The virgin will conceive and give birth to a son, and will call him Immanuel. (Isaiah 7:14, [NIV](#))

This first candle represents hope or expectation in anticipation of the coming Messiah.

On the second Sunday of Advent, the second purple candle is lit. This candle typically represents [love](#). Some traditions call this the "[Bethlehem Candle](#)," symbolizing Christ's [manger](#):

"This will be a sign to you: You will find a baby wrapped in cloths and lying in a manger." (Luke 2:12, NIV)

On the third Sunday of Advent the pink, or rose-colored candle is lit. This pink candle is customarily called the "Shepherds Candle," and it represents joy:

And there were shepherds living out in the fields nearby, keeping watch over their flocks at night. An angel of the Lord appeared to them, and the glory of the Lord shone around them, and they were terrified. But the angel said to them, "Do not be afraid. I bring you good news that will cause great joy for all the people. Today in the town of David a Savior has been born to you; he is the Messiah, the Lord. (Luke 2:8–11, NIV)

The fourth and last purple candle, often called the "[Angels Candle](#)," represents peace .

COMMUNITY NOTICE BOARD

Could you help a young person with a disability to think about their Future?

The CSV Futures Project supports young people with learning disabilities to explore their options as they think about leaving education.

Volunteer Mentors provide one to one support to a young person to help them develop a personal profile of their skills and interests, their likes and dislikes and their future goals. The Mentor can then support the young person to start working towards these; this can include accessing work experience and training opportunities plus the chance to try out volunteering and new social activities.

CSV needs volunteers who can offer a couple of hours of their time each week to mentor the young people as they make choices about their futures, raising aspirations by exploring together the young person's skills, interests and abilities.

We are looking for people ages 16+ - Mentors can come from all walks of life and no experience is needed but patience, the ability to listen and a sense of humour are all useful skills. Mentors receive full training and support and out of pocket expenses are paid.

If you would like to find out more about becoming a Volunteer Mentor for the CSV Futures Project please contact Vicki Howling, the project co-ordinator for an informal chat. Telephone 01366 386972 or 07926 044845 or email vhowling@csv.org.uk

CSV (Community Service Volunteers) is the UK's leading volunteering charity. Social justice is at the heart of what we do; empowering people to have a positive stake in society and tackle barriers to community participation through creating volunteering and learning opportunities.

BARTON BENDISH & EASTMOOR VILLAGE NEWS

Trafalgar Night England Expects

It seems that patriotism is far from dead, at least in Barton Bendish where Shakespeare, the Monarchy, Our Sceptred Isle and, now, the Battle of Trafalgar have been celebrated in style. Barton people know how to enjoy themselves and a splendidly politically incorrect evening was enjoyed by some forty people in the Village Hall. Special mention must be made of the choir, whose Captain was delayed on

naval business at the dockyard in Portsmouth and whose musical accompaniment was prevented, due to illness, from attending. Never dismayed, this talented, and very attractive group, performed with the poise and flair we have come to expect. Nelson's life, and the Navy, were remembered and toasted with great dignity. But, above all, the villagers came out to enjoy another great event and each others' company. It was reported that Lord Nelson himself was seen enjoying a snifter in the Berney, later in the evening. No one batted an eyelid. *Andrew Stephen*

Halloween Night.

David and I were not at home on Halloween Night so weren't sure whether Barton had once again been invaded by ghouls, ghosts and witches as has happened in previous years. We had our suspicions though, because a bag of sweets left hung on the front door handle had mysteriously disappeared while we were out. These were confirmed when I received this submission for G4 from Anne Parker.

'Having moved to the village in September 2015 we missed out on the delights of our first village Halloween Night (not quite sure why but nobody called). However for the past two years we have been delighted to see all the effort put into this night by parents and children alike. The 'costumes' and 'make up' must take so much time and effort to do and always look fantastic. So thanks to the parents and Robin, Janine and Lee for escorting them and please keep up the good work. The children are a credit to you all, always so polite and never forget

to say 'thank you' for their treats.

Having moved here from Kent where 'Trick or Treaters' were teenagers who almost demanded money it is really nice to see youngsters taking part and really enjoying doing so. Keep it up!' *Anne*

Bonfire at the Hall

It was quite a cold evening on the tenth of November but the warmth of the hospitality and the huge bonfire, which this year must have broken the record for size, soon dispelled the chill. Thank you very much to Luca for hosting the evening and providing the wine and delicious hot dogs. The 'Bonfire at the Hall' has become a very popular annual event which, more than any other, unites the village. It affords a welcome opportunity to catch up with village folk that one seldom has the chance to have a chat with.

Thanks to all concerned who made it such an enjoyable evening.

Christingle Sunday 3rd December at 3pm

Rev Ken Waters will be taking the Christingle service in St Andrews Church on Sunday 3rd December at 3pm. Everyone will be most welcome. Festive refreshments will be served after the service.

Barton Bendish Film Club Barton Bendish Film Club Presents 'In Bruges' Saturday December 9th at 7.0pm

As the dark nights draw in, so our film choice for December also darkens. In a departure from our normal family friendly films we will be showing the 18 classified, dark comedy drama 'In Bruges'. With a BAFTA award for the screenplay and a Golden Globe Best Actor for Colin Farrell, this 2008 classic deserves another airing. Brendan Gleeson and Ralph Fiennes also star in this story about two hitmen hiding in Bruges after a failed hit in London, awaiting their next instructions.

Please be aware that the film does contain some moderate violence and some bad language, but nevertheless is an entertaining meditation on purgatory and the struggle for absolution. The quality of the direction and the excellent performances from some of our best character actors make this a film that should be on everyone's bucket list to see.

Running Time - 107 minutes

As usual, please reserve your seats by calling 01366 347849 or through the Barton Bendish Film Club website. (Join our mailing list using our 'contact us' webpage for details and timings of all our screenings.)

Everyone is welcome but it is essential to book your tickets in advance from Mhari 347849 or Linda 347563.

Village Hall

The trustees of Barton Bendish Village Hall are very pleased to say that the new lease with Albanwise has now been signed. This ensures, that for the next twenty years, we will continue to have a place in Barton where we can host the wide variety of social events for which the village has made quite a name for itself. We have a few fund raising events in mind for 2018 but the floor is in poor repair and at some stage will need replacing. This will mean that for several weeks we will temporarily be unable to use the Village Hall.

A VIEW FROM THE MARSH from Janet and Alan Reid

Well here we are happily residing in Lydd on Sea in the area known as Romney Marsh. We couldn't imagine anywhere more different to West

Norfolk. The local people seem very keen on bird watching the local parish magazine has reported on the autumn migration which features common sandpipers, golden plovers, dunlin, plus the pectoral sandpiper and grey phalarope, there are lots of wintering birds including widgeon and teal.

About 100 yards from our front door are the "Listening Ears" better known as acoustic sound mirrors. These were built in the 1920s and were very sensitive listening devices designed to provide early warning of approaching aircraft using a variety of reflector shapes to funnel the sound waves to a microphone which was connected to headphones enabling the operator to plot the direction and distance of incoming aircraft. There is a local story that one operator was deafened when a milkman rode his horse and cart along the road in line with the mirror! The system was superseded and helped inspire radar.

A 100 yards in the other direction from our home is the Romney Hythe and Dymchurch railway line started in 1927 as the dream of two rich eccentrics. It's a 15 gauge railway using real steam engines. It is compulsory to wave at the train and passengers as they go past - well we do!

Following on from Alan's view.

Dog walking with Fleur has given me the opportunity to observe the beach in particular on our daily walks with species of flowers and sea cabbage strewn along our path. This area is known as the 5th continent with a microclimate which will enable me to grow more exotic plants. Our garden is our new project and we will use the money from our friends in Barton for a suitable garden statement piece.

We do seem to be eating fish rather a lot, but it is so fresh here and so tasty.

Alan feels quite at home here as Lydd airport is a few miles away (only light planes though) he misses the jets from RAF Marham.

Jill wrote a very kind piece about us in Group 4 when we left Norfolk. Thank you, Jill.

We do miss our friends, but, we WILL return for Barton events.

Janet and Alan

It is coming up to 3 years since I became the Nar Valley Ward District Councillor, thank you again for your support. I am available 24/7 and have been. Whatever my residents problem I am here to help. If you need my help contact me at peter.wilkinson@breckland.gov.uk or 01760338819 / M-07788381796.

St Mary's Church

Autumn sunlight streamed through the windows of St. Mary's during November's Holy Communion service. The funeral flowers for Ian Phillpot, with their fading scents, still adorned the wide window sills like the gifts of remembered beauty which the dead leave behind. Ian, as most of you will know, was Church Warden for many years. In addition to his Church Warden's duties, he initiated and organised the very successful Family Service which lasted for several years.

BEACHAMWELL, SHINGHAM & DRYMERE VILLAGE NEWS

Our condolences to Betty and her family during this difficult time.

The new communion service sheet was used and proved popular with the congregation.

The service began with *Morning Has Broken*, a hymn I always associate with childhood as children often have more of a sense of the wonder and beauty of creation, as if seeing aspects of the world for the first time, than adults who seem to lose a sense of wonder along life's way, weighed down as they are with work, bills and mortgages. The words of this hymn were written by the poet and children's author, Eleanor Farejeon who was living in the East Sussex village of Alfrsiton and who was inspired by the peace and beauty of the English countryside in the early 1930's. Her words were set to a traditional Scottish tune called *Bunessan* which is village on the Hebridean island of Mull It has some lovely lines such as the following: *Sweet the rain's new fall, sunlit from heaven / Like the first dewfall on the first grass.* After the constant rain of the previous day, outside St. Mary's, raindrops like jewels balanced on the blades of the wet grass between the headstones.

The same tune, *Bunessan* is used for the well-loved Christmas carol, *Child In The Manger, Infant of Mary* and on the subject of Christmas, St. Mary's will be holding it's annual *Carols By Candlelight Service* on Friday, 22nd December at 6.30pm. After the service there will be mince pies and mulled wine. Gill Sanderson (01366 328818) would be grateful if anyone could help in the provision of home-made mince pies for this special occasion.

The Season of Advent:

Did you know that there is more to Advent than a calendar filled with little chocolates? Advent is also the time to prepare.... In the Christian calendar, the four weeks leading up to Christmas are set aside for getting ready. The term

Advent has its roots in the ancient Latin word for Coming: it's a time of expectation, to make arrangements for what will be - an opportunity to focus the mind on all that needs to be done, as if you were anticipating a visitor or going on a journey

Almost inevitably in our culture, that means shopping, spending, giving, receiving - and it could hardly be otherwise as we prepare to celebrate the birthday of Jesus. Christmas cards, presents and all that food and drink express our wonder at how

the spiritual and the material is joined together in the birth of Jesus.

BEACHAMWELL, SHINGHAM & DRYMERE VILLAGE NEWS

This means that in Advent we could try and do some spiritual work, as well as material preparation by deciding what our values are and who is to become our priority. There is an attitude of mind and of spirit to find an honest recognition of where we might have been wrong, to find a right way to approach what is coming; to live our lives with a heart that wants to give away as well as to grab, to receive what we long for as well as to always be responding to others' demands.

Wishing you all a joyful Christmas season! Vesna Hudson (Church Warden)

The Friends of St Mary's Church

The group has had a splendid start with an enthusiastic first meeting.

There are lots of fundraising plans which will be essential for the future of this unique church.

It's never too late to get involved either by running or helping with an event or making a regular donation.

Please do get in touch with me for further information.

Beachamwell Village Hall is Back in Business!

Recent refurbishment work at this popular village hall is now complete and groups are back enjoying a regular programme of activities ranging from Book Group to Yoga. Not only will the new facilities mean that the hall is accessible to wheelchair users, it will also make life easier for a number of people within the community who have other mobility issues, some permanent, such as arthritis and multiple sclerosis, and others temporary, such as hip or knee replacement recovery.

The first public event in the re-opened hall was the popular monthly Afternoon Tea organised by Sonia Williams for St Mary's PCC. Villagers enjoyed a social get together over a cup of tea and a slice of delicious cake. To mark the occasion, a special celebratory cake, decorated with a disabled logo, was made by Harriet Garrod.

Leah Spencer, spokesperson for The Village Hall Committee, says 'We are delighted that the hall has reopened and very grateful to WREN for their grant funding for the

BEACHAMWELL, SHINGHAM & DRYMERE VILLAGE NEWS

project. We could not have done it without their support. Our goal is to ensure that everybody has full access to all our activities.'

With that in mind, the committee has now started Phase 2 of their Accessibility Project, which includes laying a hard surface path to the front door of the hall.

Pop up Pubs: A big thank you to everybody for supporting our Pop up Pub on 20 October. It was lovely to see so many people out enjoying themselves on a Friday evening. Our next date will probably be in February, at the beginning of the half-term holiday. Watch this space.

Beachamwell Fete and Country Fair 2018: Please put Saturday 2 September 2018 on your new calendar and look forward to another great day out, where we will be raising funds for Accessibility Project Phase 2:

The village hall is at the heart of our village and the committee is focused on maintaining and developing this wonderful resource for everybody to enjoy.

Halloween and The Forthcoming Children's Christmas Party

A huge thank you to the amazing Beachamwell residents who opened their doors to all the families trick or treating in the village on the night of Tuesday 31st October. Everyone was so kind and generous in welcoming us, chatting and dishing out delights from huge tubs, trays and biscuit tins and grabbing any last reserves! Many will have been astounded to see close to 40 people surrounding their doors and paths. From babies aged just a few months old to children now at High School, it was fabulous to see so many youngsters turn out on a perfect night, with wispy clouds surrounding the moon. Some houses had really gone to town to invite us with some fabulous decorations for the children (and grown ups) to admire, including homemade willow broomsticks, goblins, ghosts, floating wall lights and even gravestones - eek! Some parents dressed up in some extra creepy costumes too, causing a few children to stop and double take. The scariest conclusion of the evening is that we believe there are now enough families in the village to reopen the school. Imagine that....

The Children's Christmas Party is now confirmed for Saturday 16th December from 4 - 6pm. We are really excited to offer all children and their families a fun filled disco this year with enjoyment for all guaranteed, as well as some old favourite party games! We hope to see you there.

Wednesday Walkers

I always enjoy our Wednesday Walks because of the company, the exercise and

the awareness of the seasons. The November walk was no exception. We started from Larchwood on the Cockley Cley Road and walked along forest rides, noting the wide range of fungi growing alongside the tracks. Sue Pennell showed us examples of the amazing earth-star fungus, a first for many of us. We circled around to Drymere, Warren Farm and back to Larchwood.

Our next walk will be on

Wednesday 6 December and will be shorter, allowing time for a seasonal mince pie and glass of mulled wine in the village hall afterwards. Meet at the hall at 10am.

Why not make joining Wednesday Walkers one of your New Year's Resolutions for 2018? **Leah Spencer**

Book Group

Russian Revolution Remembered ...On Tuesday 7 November, as Russians were celebrating the centenary of their Revolution, members of Beachamwell Book Group were listening to poems by Boris Pasternak, Osip Mandelstam and Anna Akhmatova. Hearing these pieces read in Russian was a rare treat and the group is very grateful to Victoria Macphail for her interesting and thought provoking talk. **Leah Spencer**

WI

As all the present Committee had agreed to stand for one more year, and there were no other nominations for Committee, it seemed a good idea to book Simon of Peter Beales Roses to come and give us a demonstration of "How to Make a Holly Wreath" the idea being we could have a session making them ourselves to sell at the Christmas Fayre on December 2nd. It was most enjoyable and a team look forward to making some. Simon made it look easy but we shall see.

Local History Group

On November 9th, a good audience was in Beachamwell village hall for a most interesting and entertaining talk on the History of Oxburgh Hall by Roger Farmer, who is a conservation officer at the hall. His talk covered something of the history of the house and the family who lived there, but he also gave a fascinating insight into the challenges of conserving such a beautiful old property while at the same time allowing it to be enjoyed by a growing number of visitors. It was a great opportunity to learn more about this local gem and the work that is going on there.

The Beachamwell Local History Group will hold its Annual General Meeting on Tuesday, 9th January at 7.30 in Beachamwell Village Hall. New members and visitors are very welcome. This will be an opportunity to discuss future plans and projects.

There is another date for your diary if you are interested in local history. On Thursday 15th February, there will be a talk on “Constance Villiers- Stuart and India” by Mary Ann Prior. Beachamwell Hall was the home of Constance Villiers - Stuart from her arrival there as a young girl in 1884 until her death in 1966. She was an intrepid traveller; aged 81 and at the height of the Cold War, she sailed to St Petersburg to visit the restored palace gardens. Earlier in her life, she accompanied her soldier husband to India and there collected material for her pioneering book “Gardens of the Great Mughals” which attracted a lot of favourable attention on its publication in 1913. Her interest in gardening continued throughout her life, not only in the development of the gardens at Beachamwell Hall, but also as a prominent figure in the world of flower arranging

BEACHAMWELL, SHINGHAM & DRYMERE VILLAGE NEWS

and a regular contributor of articles on gardens and flowers to the EDP.

Mary Ann Prior has been researching the life of Constance Villiers-Stuart, and is most interested to meet individuals who met this formidable woman. So, if you lived in the village in her time or perhaps went to the children's' parties at the halls, please come along to Mary Ann's talk, which will be at 7:30 in the village hall. **Maggie Mackenzie (01366 327023)**

Table Tennis in Beachamwell

Beachamwell is fortunate in having an excellent table tennis table, along with bats and balls, in the village hall. It is a game which can be played with enjoyment by people of all ages and abilities. It is hoped that that a table tennis group will be formed in the new year, beginning on the afternoon of Friday, 5th January and taking place every Friday afternoon.

The physical benefits of playing table tennis are obvious: an increase in agility, stamina and an aid to weight loss. However, the mental health benefits are perhaps less well-known. Numerous studies have highlighted the benefits of the game when it comes to coordination, decision making, memory and alertness. It is now widely believed that playing this game can help delay the onset of dementia. Indeed, when table tennis has been introduced into care homes where many of the residents are suffering from Alzheimer's Disease, it has slowed the advance of the disease and reduced the use of drugs. Residents who play this game on a regular basis have markedly improved their powers of memory and sense of well being. Not least, taking part in this game helps everyone to relax and make friends.

It's remarkable that such an apparently simple game should do so much to enhance the lives of those who participate in it. Over the next few weeks, a leaflet will be put through every door in the village informing them about the table tennis group. Of course, anyone outwith Beachamwell interested in playing table tennis would be welcome to come along. **James Knox Whittet**

BOUGHTON VILLAGE NEWS

All Saints Church

The annual Nine Lessons and Carols service will take place on Tuesday 12th December at 7 pm. For newcomers to the village, this is a traditional service with the nine readings, plenty of carols for the congregation and items by the group choir. The collection from the service will go to Christmas charities—usually Crisis at Christmas and the Bible Lands. It's the perfect start to the Christmas season. The church always looks lovely, with greenery and candles the main part of the decoration. To that end, I hope people will come along on Friday 8th December to help decorate. The ability to put a piece of holly or other greenery on a window sill is basically all that you need. I can be there from 9.30 onwards and coffee will be provided. If you can't come along, but have suitable greenery in your garden, please bring some along and leave it in the porch. Geoff Proctor has kindly agreed to provide a tree again, so that will need to be decorated. We have plenty of baubles and lights.

Another tradition is that people bring a plate of party food along and stay for a social gathering after the carol service, with mulled wine being provided by a kind wellwisher. I shall need people to read the lessons, so any volunteers will be welcomed. I have asked some people already, but some of our regular readers will be away on that night, so newcomers are very welcome. We have been given the generous gift of a hamper by someone in the village, so we will have a raffle after the service is over.

On Christmas Eve, at 4 pm, we will have the traditional Crib service, led by Pippa. I don't know yet if there will be a donkey, but we hope so. The church is always very atmospheric, with bales of straw making a stable. This year we are lucky enough to have a service on Christmas Day, at 11 am, so we would be very grateful for anyone fit and healthy who could spare a little time after the crib service to move chairs and straw. This is a good moment to thank Angela, who does so much to ensure the church is laid out and warm for all the various functions. However, she can't move everything after the crib service without help.

Boughton Scarecrow Challenge 2017

2017 saw an excellent array of entries, from a Halloween theme 'A Spooky Start' to a distraught bride left waiting for her groom at the church door and from the 'Pumpk-grims' setting sail on the Mayflower to birds with 'Birdy Army' and 'Henrietta Hen'.

The prize giving event at the Church on Saturday 28th October was well attended with children wearing their Halloween costumes - you all looked great! Whilst entrants waited for the results to be announced tea and cake were served for all to enjoy.

Results:-

Adult Winner – The Acasters with ‘Ivy Man’

Highly Commended – Sue & Roy Isaacs with ‘Mr Skell. E. Ton’

The adult winners received a commemorative mug, bottle of wine and a certificate.

Junior Winner – The Hawley’s with ‘The Mayflower Pumpk-grims & Nervous Turkey’

Highly Commended – Henry, George, Charlie & Beatrice Simpson with

‘Tabitha Tortoise’

The children received a commemorative mug, sweets and a certificate.

This year a special award was presented to Sarah Francis for the most imaginative use of “green” natural materials creating ‘Leaf Man’ and ‘Stick Man’, who both quite literally blended into the garden.

The BVC would like to thank all the participants who displayed an amazing amount of imagination and creativity.

The Boughton Village Caravan

Boughton Fen Report for Parish Council Meeting 14.11.2017

The summer visitors have all flown off to warmer parts of the world for the winter, with some being replaced by birds from further north keeping their feet warm here for the winter. However, work has continued on the fen, keeping the walk clear for everyone to enjoy.

The number of cuts by contractors has been reduced this year, thanks to the efforts of a small group of volunteers. Our specialist contractor has mown the grassy areas to replicate grazing, which should promote the diversity of plants. Along with support from the Environment Agency, and Natural England we will be installing a second outfall in the very near future, to control water levels on part of Middle Fen.

Over the last couple of years we have lost a number of large branches from three big willow trees. The problem has been exacerbated by the frequent high winds that we have experienced in the past few months. Advice has been sought from an arboriculturalist, and Natural England, and it has been recommended that they should be felled as they are now in a dangerous condition. It is hoped that the stumps can be left as high as possible, with some of felled material being left in the area to create alternative habitats in that part of the fen.

Working parties will be continuing during December to March, so if you fancy getting rid of any Christmas excess, come and join us. If you have not been before, give me a call on 01366 500461. *Mark Pogmore*

WEREHAM CRAFT GROUP

The Craft Fair held on November 4th was a huge success. The day raised £427.50, plus another £50 which had been paid in at an earlier date. A special thanks goes to Diane, Angela, Janet, Lynda and Lynne who helped man the kitchen at various times of the day. Also special thanks to Wendy and Doreen on the raffle table, Nicola and Doreen Palmer on cakes. A special thanks goes to Sue Marnet and Pam Watkinson who took over the craft stall when I had to be taken home poorly.

Huge thanks to Alan Winter who made a very good job of traffic control and helping people unload and load their cars during the day. This event could not go ahead without the support that these lovely people give me, and of course all the customers who braved the wet to come and support us.

We have one more Craft Group meeting on December 12th and then we are into 2018. The first meeting will be on January 9th at 10.30am in the Village Hall. For Details contact Rosemary on 01366 501330.

November_Update from Wereham Village Hall Committee

As 2017 heads to a close, this will be the last year we spend Christmas in the current hall that has served our community so well for almost 100 years. We have many events planned for the run up to Christmas which are designed to give pleasure to those who participate and also to raise much needed funds to complete the fitting out of the emerging and eagerly anticipated new hall.

Please come along to as many events as you can and/or help our fundraising efforts by donating raffle/bingo prizes, cakes etc. Please contact Doreen (500218), Angela (500115) or Diane (500798).

Update from the New Build Project Team

Construction of the external walls proceeds apace, but with minute attention to detail as any cold bridging or air

leakage would conflict with Passivhaus design principles and prejudice the eventual certification of the finished building. The roof will go on very soon now so that work on the interior can begin.

The target for completion remains the end of March 2018.

For more regular updates and photos, follow us on our Facebook page.

START CHRISTMAS WITH CAROLS AT

THE MAGPIE CENTRE

The Quiz and Hog Roast Supper, held at Stowbridge Village Hall on October 21, was a huge success, with no fewer than 116 participants in 21 teams, and raised a fantastic £1363 for the Magpie Centre, home of West Norfolk Riding for the Disabled Association. It was heartwarming to see so many newcomers, alongside those who had attended previous quizzes and were eager to return. Keep an eye open for our next quiz, scheduled for spring 2018-and be quick to book your tickets. It really is a great night out. – at modest cost.

Next up is the West Norfolk Riding for the Disabled Association Annual General Meeting, scheduled for 7.00 pm, Monday December 4, at Wimbotsham Village Hall, 49 West Way, Wimbotsham, King's Lynn, PE34 3QB. Now is your chance to meet the Trustees, find out who we are, and what we do, and maybe find your niche as a Trustee and/or volunteer. Trustee roles available include Treasurer, Secretary, Grant Officer, Fundraising Officer and Events Officer. No knowledge of horses, nor of people with disabilities is required, but for an informal chat, call Chairwoman Rosie O'Grady on 01366 500104. The final item on our 2017 agenda is the Christmas Carol Service, to be held in the Magpie Centre indoor school (so wrap up warmly), at 6.00 pm on Thursday December 14. We'd love you to join us for Christmas carols, readings, mince pies and mulled wine/apple juice – and to meet some of our lovely ponies. No dogs, except service dogs, allowed. We are at Wallington Hall, South Runcton, PE 33 0EP - on the A10, about three miles north of Downham Market.

And finally, if you're stuck for a Christmas gift, especially for a pony-mad child or grandchild, what better than sponsorship of a Magpie Centre horse or pony? Pebbles, who gives confidence to our tiniest riders; Ruby, a big Irish mare who looks after adult riders, or Teddy, a total star, both between the shafts for our carriage driving participants and under saddle, are all available for sponsorship. For just £12.50 or £25 a year, the sponsor receives a photo of 'their' pony, plus a sponsorship certificate, and news updates. For more information, visit www.rda-westnorfolk.org.uk, or call the Magpie Centre on 01553 810202 for a sponsorship form.

AL- ANON FAMILY GROUPS

I am sure you have heard of ALCOHOLIC ANONYMOUS but have you heard of AL-Anon Family Groups. They are here for anyone affected by having a relative or friend who is an Alcoholic in their lives. The meetings are attended by Husbands, Wives, Teenagers, Sisters, Brothers, Mothers and Fathers and adult Children. Anyone who is affected by this disease called Alcoholism is welcome to come and listen or share their Stories. They too have lived with the stress of walking on egg shells. Covering up and lying for the Alcoholic. Worrying about paying bills, feeling ashamed and embarrassed by the drinker's behaviour. Trying to keep things normal for your children, making excuses why they can't have friends round. Being exhausted with it all. Maybe it is your Mother or Father who is the Alcoholic or your sister or brother and you need to share this with people who understand. Unless others have lived with Alcoholism in their lives, they just don't understand the sick feeling in the pit of your stomach, the dread of hearing the car arrive home. Trying to keep the children quite so he / she can sleep it off. And when the kids are older and they want to know why YOU didn't do something. Well most of the above is me. I lived with an Alcoholic for years, I thought he was a heavy drinker when I first met him, kidded myself he would slow down when the kids came along, but the most important thing in his life was drink. When he was drinking life was miserable for all of us. I did the covering up bit by calling his work making excuses why he couldn't come in today, lying to my family that everything was ok too embarrassed to admit that it was far from ok. Watering down his drink when he was out of the room, listening for hours to him talking utter rubbish. Driving around to find him because he couldn't get home and didn't know where he was, and all the time I thought I was the only person in the world living like this. Eventually he left. Now a few years down the line I have a son with a drink problem who is not yet ready to go for help. So I was recommended to go to an Al-Anon meeting, which is held during the day once a week in Downham Market. I walked in with trepidation and came out with a smile, they made me so welcome. I didn't have to share my story and worries until I felt I could, but listening to a lovely lady it was as if she had lived my life. And the first thing I learnt, was that ' I am powerless over Alcohol ' and the 3 c's which stand for ' I didn't cause Alcoholism ' ' I can't control it ' and ' I can't cure it ' those 4 phrases took a weight off my shoulders. AL-Anon shows you how to look after yourself first. And what is said and shared in the meeting stays in the meeting and we only use first names. There is always a box of tissues on the table and a cup of tea to be had. For more information and to find out where meetings are held and the times, the national contact number is **02074030888** the website is www.al-anonuk.org.uk Email: enquiries@al-anonuk.org.uk

AL-Anon is not a religious organisation or a counselling agency. Nor is it allied with any other organisation offering such services. For young people aged 12-17 inclusive there is ALateen

I hope you all have a peaceful Christmas.

Looking for respite care at Christmas?

If you're a full-time carer, or spend a lot of time caring for someone, it's important to make time for yourself, too – both for the sake of your own health and wellbeing and to give you the energy to carry on caring.

That's where respite care can help, particularly at times like Christmas. Spending time in a caring and warm environment, with dedicated helpers on hand can be the answer, and a way to give a carer that break.

Age UK Norfolk can meet such demands with its 20-bed respite unit at the Grays Fair Court (GFC) centre in Norwich. Each comfortable apartment has en-suite facilities and its own 32 inch television.

The path to respite care can be taken in two ways. First, through the social services system via Norfolk County Council, and care packages taken this way will be funded if the patient meets the necessary criteria. Or there is a self-funding option.

Doris Baker, 85, of North Walsham, has been visiting the respite centre at Grays Fair Court in Costessey since it opened in 2008 after being referred by social services. Doris visits the respite centre regularly and spends most Christmas' with the team at Grays Fair Court. "I just love it; I would be on my own at Christmas if I didn't come here". Grays Fair Court runs a special programme over the holiday period, with entertainers coming in and special Christmas meals being served. Visitors are welcome. There are no restrictions over the Christmas and New Year period. The regular GFC facilities – such as hairdressing salon, foot care, computer with internet access and library – are all available.

To find out more about respite care at Christmas, or any other time, then contact Age UK Norfolk's Grays Fair Court on 01603 594747; or contact Norfolk County Council on 0344 800 8020

Many practices now use other veterinary surgeries for their out of hours work. This means that you will have to travel to an unfamiliar practice which is likely to be much further away. Despite being only a two vet. practice we continue to do all of our own on call cover. The phones are diverted directly to the vet on call as we know that clients appreciate a familiar voice at the end of the phone, 24 hours a day, who knows their pets and, if treatment is necessary, then they prefer to travel to their own practice to be seen. This is part of our Professional and Personal service that our existing clients are accustomed to and we warmly welcome new clients who wish to register with us.

Our surgery times are listed below. Please note that appointments are now necessary for all evening surgeries.

Open surgeries: Monday to Friday , 9-10am, Saturday 10-11.30am
