Dear All,

The cricket season is well under way. I like cricket, but I don't get to see many matches these days.

A day at a match is a real treat. When you watch a match it's obvious that teamwork really matters. One player doesn't make a team, and when a team wins a trophy, the Captain always says that it was a team effort rather than being down to one or two individuals.

Fans always dream of what might happen when the sporting season starts, and if there is an Olympics or Commonwealth Games coming up, we talk about how athletes have hopes of winning gold medals. All sports fans live in hope.

Christians live in hope, too, and their hope is in Jesus. Sometimes our sporting heroes let us down because, as humans, they make mistakes or don't always give one hundred per cent. Jesus never lets us down. He is someone who is always there for us. So three cheers for Team Jesus – the one team that is never beaten!

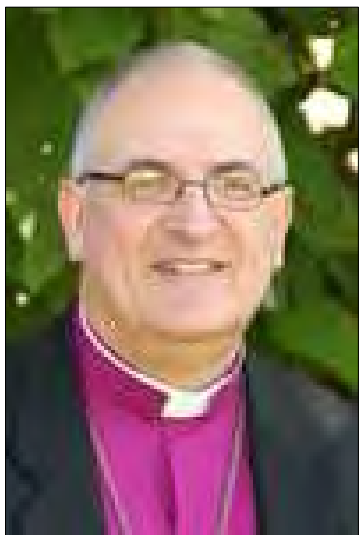

Yours in His service

Barbara

BENEFICE NEWS

Bishop Stephen Conway – Archdeacons' Visitation, Ely Cathedral

Many of you were generous enough to read and respond to my document,

Imagining the Future. I believe that these attributes are distilled in our vision that we pray to be generous and visible people of Jesus Christ. We are united in being called by God as disciples. One of the children who responded to *Imagining the Future* imagined walking up the aisle as walking up God's backbone to meet Jesus's heart at the altar. Churchwardens may not have a vocation to that role for a life time as clergy and other ministers do; but God uses the authority of election to serve His purpose for the Church, too. It is all about how we discern God at work and then join in. We are seeking to do what we have been called to be: a growing and responding Church in our fast-changing region. We have a group coordinating consultation about the needs of

our multi-parish benefices in the diocese. We have 83 church schools across the diocese, for the improvement of which we are delighted to have greater responsibility. We have just established a link with the Diocese of Kigali in Rwanda. Second, we aim to grow God's church by finding disciples and nurturing leaders. God converts people; we just do the nudging and nurturing. We are all called as disciples of Jesus to be his witnesses and friends. If we get discipleship right, we shall never lack a healthy stream of people seeking ordination and other forms of public ministry. We need leaders in our parishes and schools who are confident enough for that leadership to be shared. Third, we aim to deepen our commitment to God through word, worship and prayer. Sunday's gospel reading draws us to Jesus the Good Shepherd. Our mission will be much more effective if we create more opportunities for collective daily prayer in our churches and our homes.

As a diocese, we are working on a strategy for our future. Once it is agreed, all of our deanery planning and diocesan support will be judged against the strategy which expresses the imperatives.

It is how we invite God to grow his Church in the Diocese of Ely. Amen.

20th Anniversary of Ordination of Women

Message from Bishop Stephen:

On Saturday 21 June, the diocese will celebrate the 20th anniversary of the ordination of women to the priesthood with a Eucharist in Ely Cathedral at 1.30pm.

I am delighted that the Very Revd Catherine Ogle, Dean of Birmingham, will be the guest preacher at the Eucharist.

The service will be followed by afternoon tea in the garden of The Bishop's House.

This is a celebration of the ministry of all who offer their gifts in the service of the diocese, as well as an opportunity to give thanks for the ministry of women clergy.

Please encourage members of your parishes to attend. Children are particularly welcome and there will be supervised activities for them in the cathedral during the service and at the reception afterwards.

In order to assist those involved in the practical arrangements, please let Ruth Gildersleve know whether you will be attending and whether you will be bringing others. It would be particularly helpful to know whether you are bringing children, so that enough qualified adults are recruited to take care of them. Contact Ruth on email ruthg@miscom.co.uk or tel: 01954 719718 (Papworth Team office).

I look forward very much to seeing as many of you as possible on 21 June

COUNTRYSIDE NOTES

Norfolk Dialect

I meant to put this article together before the last appearance of the Singing Shepherd and his twin brother the Vocal Yokel so it would be easier to understand what they were saying. While their songs have more of a west country flavour the jokes (?) are true Norfolk. As with many rural counties, families who have lived there for generations retain remnants of the local dialect which I for one had to learn to interpret when I first met David and his family. Forty odd years ago the dialect was often spoken and I soon became familiar with some of the words, it wasn't long before I began using them myself.

The locals always enjoyed a '**mardle**' (chat) which could be about a '**mawther**' (woman) but was more often connected with rural life. Conversation usually began with a moan about the weather being '**daggly**' (damp) and the '**hod-a-me-dods**' (snails) eating the plants although a '**mavis**' (songthrush) had been doing a good job bashing them on stones. There was a '**king harry**' (goldfinch) nesting in the privet hedge as well as a '**spinks**' (chaffinch) and there were a lot of '**bishibeets**' (ladybirds) about. Young Ching recounted a recent ramble through the countryside. Walking down the '**loke**' (short lane) and across the field he'd seen a covey of partridges '**busking**' (dustbathing) along with a rare '**stone runner**' (stone curlew) and a '**mawkin**' (scarecrow) had been put out to keep the '**crows**' (rooks) off the newly sown corn. A '**chooser**' (rat) had scurried into the hedgerow and there was a '**dickey**' (donkey) in the next field. On past the '**pit**' (pond) where '**brakes**' (bracken) grew along the edge of the '**drift**' (farm road) then across the '**drain**' (dyke) and down to the '**fleet**' (shallow) stream. He climbed the gate which was '**on the sosh**' (slanting) and sat down to eat his '**dockey**' (lunch). A '**rannie**' (shrew) rustled about in the grass, a '**water hen**' (moorhen) swam across the stream and further along an old '**harnser**' (heron) stood still as a statue. He was able to wade across because he had his '**water boots**' (wellingtons) on and found an old branch his Mum could use as fire wood which he '**ligged**' (dragged) back home.

When he got there she '**mobbed**' (told off) and he got a '**ding**' (cuff) round the '**lug**' (ear) because he was late and the '**swimmers**' (dumplings) in the stew were getting '**claggy**' (moist or sticky). She '**hulled**' (threw) the paper at him, it '**thacked**' (hit) him on the arm. He thought this was a bit '**stingy**' (mean) but her '**screws**' (rheumatics) were giving her some '**jip**' (pain) and she also had a '**tissick**' (tickly cough). He felt like '**blarring**' (crying) and did when she got a '

GARDENING TIPS

Since early in March this year the weather has, so far, been rather kind to us gardeners. It was therefore quite disappointing to hear the forecasters suggesting a frost developing in the early hours of May 3rd and 4th. I hope none of you were caught out and lost or suffered damage to some of the more tender plants! I heeded the warnings and put away those of my early subjects that I could – a somewhat tedious but worthwhile job. Others, that I had taken a chance with, had to stay put! Fortunately the area where I live had no frost on the morning of the 3rd but I am quite sure there was a frost period in the early hours of the 4th but, in my garden, no damage ensued. Most plants are so much further forward this year and if we do get any frosts later on in the month then I fear the soft fruit crops could really suffer. Do please keep an ear to the weather forecasts and protect where possible. On a brighter note I heard the first call of the cuckoo on Tuesday morning, April 29th and then another call on Friday, May 2nd so perhaps summer is just round the corner!

Despite all the rain throughout last autumn and winter many areas, particularly those on the sandier soils, are becoming very dry and as a result some plants will soon need watering to keep them in good condition. Normally I avoid watering if I can other than for potted subjects, but there are instances where it is vital and this year it may well be that soft fruits and later cane fruits will need that extra bit of assistance to ensure a good crop of fruit. Don't forget to give these plants a top dressing of sulphate of potash to improve the quality of your fruit. One dressing before a good watering will be quite adequate.

Your sweet peas, if cordon grown, will now be coming into the period when they will need close attention to remove all the side shoots, tendrils and aphids. Keep the soil around the plants nice and moist, but not too wet. As soon as the first flower buds are well developed start feeding the plants with something like phostrogen once a week. When the plants are really well in flower it is advisable to increase the feeds to twice a week. If you intend, as I hope you will, to exhibit in one of the local Shows, cut the stems as long as possible, the night before the show and keep them in deep water overnight, this will help to enhance the size and quality of the blooms. If you grow for general use around the home then still give them that extra bit of attention – too many side shoots, although giving a mass of colour, will only detract from the size and quality of your flowers. The more growth you allow the greater is the need for feeding.

By June the danger of any frosts should be passed and the more delicate subjects can be planted out in the garden. We have had a very early season,

GARDENING TIPS

but don't be in too much of a hurry with anything that is really tender, there is always that late frost risk even in early June.

Those of you who took a chance in the vegetable garden with the early season, and were prepared to give the necessary protection to their plants in the event of frost, will soon be reaping the benefit. With that thought I can almost taste the delightful flavour of that first feed of new potatoes, young tender carrots and early peas assisted by a sprig of fresh mint. It is to my great regret that so many people have never had that wonderful experience and don't know what fresh vegetables from the garden taste like!

I am again growing my tomatoes in the new system that I wrote about in a recent article. This year because of an early holiday, I have had to bring-on all of my plants earlier than usual and as a result my tomatoes are well advanced. They were put into their permanent growing pots on 9th of April having already been potted on twice. They now have the first truss in full bloom, and the second and third trusses fully formed (May 3rd). This year I have given the plants less water in the early stages in their permanent quarters than has previously been the case to make them search for their water and hopefully develop a much stronger root system, and it seems to be working well as the plants seem to be much stronger and more robust than usual. I will report further in due course.

I hope all of your lawns are recovering after the very wet winter. As I reported earlier, parts of my grassed areas were badly infected by moss. I have treated them as previously reported and I am pleased to say that they seem to be recovering well.

With the holiday season fast approaching, I wish all of my readers a happy and satisfactory vacation wherever it may be. **Roy Coughtrey**

COUNTRYSIDE NOTES

shiver' (splinter) out of his hand with a **greart** (great) big darning needle.

I know this sounds a load of old **'squit'** (Norfolk nonsense) but honestly it's the way they used to talk.

If anyone is interested there is a group trying to preserve the local dialect known as Friends of Norfolk Dialect (F.O.N.D) and they have put an excellent 'dictionary' on their website **Jill Mason**

MEET YOUR NEW BRECKLAND MASTER GARDENERS!

Our newly-trained green-fingered growers will soon be out and about, using their knowledge to nurture novice gardeners, and kick off the two-year Breckland Master Gardeners project.

Following a successful training session last month, the Breckland Master

Gardeners project is up and running. There are now 21 experienced Master Gardeners who are keen to get started in supporting and mentoring families and individuals throughout Breckland in growing their own food.

Interested? You don't need to have grand ambitions – you could just start small with pots of herbs and salad leaves by the kitchen door. Do what is achievable within your daily routine and enjoy the results.

The Breckland Master Gardeners project, which is funded by Breckland Council and the Health and Wellbeing Board and managed by Garden Organic, is part of a national programme supporting new home-food growers.

To find out where your nearest Breckland Master Gardener is based, contact:

LIVING INDEPENDENTLY IN LATER YEARS (LILY)

This is an online directory for West Norfolk that brings together information about a wide range of activities, services, advice and guidance, primarily for the over 65s, providing an easy-to-access, easy-to-use reference and signposting guide.

LILY is arranged into ten simple-to-search categories and there are useful filters and quick links that make finding information quick and easy. Whether you're looking for a club or activity close by, perhaps you want travel or mobility advice, or maybe you need tips for managing your money ... then LILY can help. If you're concerned about staying safe, worried about having a fall, or if you're at home caring for someone ... LILY can help you to find the advice and help you may need to help make your life a little easier

If you don't have a computer you can still access all the information in the LILY directory by calling 01553 616200 and speaking to a member of the Council's Customer Services team. An advisor will search the directory on your behalf and give you all the relevant information. If required, this information can then be sent to you, or to a relative, friend or carer, by post or email.

Organisers of regular activities, such as clubs or support groups, or community services for older people living in the region, can have details included in the LILY directory. Just email asklily@west-norfolk.gov.uk or call 01553 616200 with details.

If you're over 65 and you want to know what's going on the area or if you need signposting to specialist services, simply Ask LILY at www.asklily.org.uk or call 01553 616200

BRECKLAND FITNESS IN LATER LIFE FOR THE OVER 50'S

Taking part in organised physical activity is a great way to keep fit and active and make new friends.

A new scheme from Breckland Council gives people over 50 years the opportunity to take part in a wide variety of sports and physical activities and meet others with similar interests.

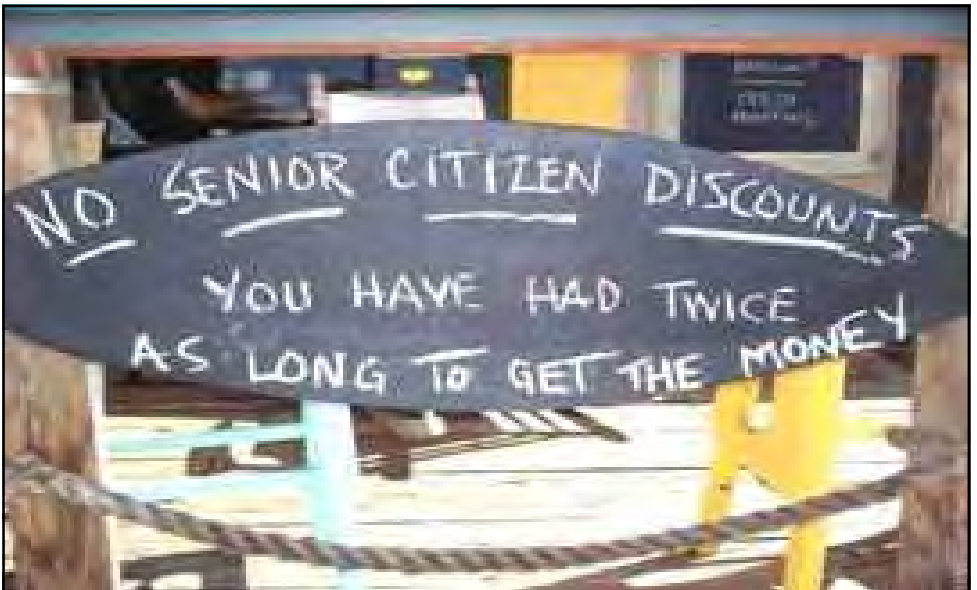

If you live in a rural part of the Breckland district, are aged over 50 and are interested in getting together a group of like-minded people to take part in moderate exercise, then the Breckland Fitness in Later Life Scheme would love to hear from you.

There's a range of equipment available for your group to hire under the scheme, such as croquet, boccia and carpet bowls sets, tennis racquets and balls, exercise mats and circuit training equipment. Alternatively, grants of up to £500 are available to subsidise start-up costs and help your group get going.

For more information look on the Breckland Council website

Stefan Clifford on 01362 656870.

NEW ALPHABET

A is for apple and B is for boat, that used to be right but now it won't float!
Age before beauty is what we once said but let's be a bit more realistic instead.

Now for the Alphabet.....

A is for arthritis,

B is the bad back;

C is the chest pains, perhaps car-di-ac?

D is for dental decay and decline,

E is for eyesight, can't read that top line!

F is for farting and fluid retention,

G is for gut droop, which I'd rather not mention.

H high blood pressure—I'd rather it low;

I for incisions with scars you can show.

J is for joints, out of socket, won't mend,

K is for knees that crack when they bend.

L is for libido, what happened to sex?

M is for memory, I forget what comes next.

N is neuralgia, in nerves way down low;

O is for osteo, bones that don't grow!

P for prescriptions, I have quite a few, just give me a pill and I'll be good as new!

Q is for queasy, is it fatal or flu?

R is for reflux, one meal turns to two.

S is for sleepless nights, counting my fears,

T is for Tinnitus; bells in my ears!

U is for urinary; troubles with flow;

V for vertigo, that's 'dizzy,' you know...

W for worry, now what's going 'round?

X is for X ray, and what might be found.

Y for another year I'm left here behind,

Z is for zest I still have - in my mind!

I've survived all the symptoms, my body's deployed and I'm keeping twenty-six doctors fully employed!

NHS BLOOD AND TRANSPLANT

Give blood and be part of the Greatest Team in the World

NHS Blood and Transplant is asking new and existing donors to give blood and be part of the Greatest Team in the World to help maintain healthy blood stocks for patients throughout the busy summer months.

The number of people donating blood often falls during the summer and this year's football World Cup may present even more of a distraction.

Jon Latham, Assistant Director for Donor Services and Marketing at NHS Blood and Transplant, said: *"We want to remind everybody that the need for blood will continue even when their attention turns to the beautiful game. While the overall need for blood within the NHS has been reducing, thanks to improvements in clinical practice and our work with hospitals, we still need more than 7,000 people to attend a blood donation session every day. Voluntary donors enable us to collect the amount of blood hospitals across England and North Wales need to treat patients."*

"So if you have an appointment coming up in June or July please keep it. And if you have time to donate, why not book an appointment to give blood and save lives? We particularly need our O Rh Negative and B Rh Negative blood donors and our platelet donors to keep attending."

"The Greatest Team in the World is never complete, so if you've never given blood before come and join us. We always have spaces in our squad as we continually need new donors to replace our former team members who can no longer donate for reasons such as illness or pregnancy. So come on, why not get off the bench and join the Greatest Team in the World?"

Every blood donation saves or improves the lives of up to three people, and if each member of the England World Cup squad gave blood, they would save or improve the lives of up to 69 people. In general, as long as you are fit and healthy, weigh over 7 stone 12 lbs (50kg) and are aged between 17 and 66 (up to 70 if you have given blood before) you should be able to give blood. If you are over 70, you need to have given blood in the last two years to continue donating.

For more information or to book an appointment visit www.blood.co.uk or call 0300 123 23 23.

For additional information please contact the NHS Blood and Transplant press office by calling 01923 367600.

For urgent, out-of-hours enquiries please call 0117 969 2444.

UNHAPPY WITH THE SERVICE YOU OR SOMEONE YOU KNOW HAS RECEIVED FROM THE NHS?

The NHS Complaints Advocacy service is here to help you if you are unhappy with the service you have received from the NHS, including services, care or treatment provided by a doctor, dentist, hospital, ambulance service or pharmacy.

The NHS Complaints Advocacy service is free, confidential and independent of the NHS.

In Norfolk, the NHS Complaints Advocacy service is provided by a partnership of
Age UK Norfolk
Equal Lives
Norfolk RCC
POhWER.

Our advocates can help you to make a complaint and support you through the NHS complaints process. This can include explaining your options and supporting you with things like writing a complaint letter, attending a complaint meeting or signposting to other organisations if appropriate. You can also make an NHS complaint on someone else's behalf.

Whilst many of us don't like complaining, the complaints process is not only a way of resolving issues you or those close to you have faced but it is also an important way to help improve the NHS care in Norfolk.

Visit www.pohwer.net/our-services/nhs-complaints-advocacy

'WOO HOO, What a Ride'

YOUR LOCAL SCOUT GROUP NEEDS YOU!

Wereham and Wretton Scout Group is comprised of 3 sections:

- Beavers (age 6 to 8)
- Cubs (8 to 10½)
- Scouts (10½ to 14)

and attracts boys and girls from the local area. We are fortunate to have a well maintained Scout HQ on the outskirts of West Dereham to hold our meetings, with surrounding grounds for outdoor activities and camping, as well as an enthusiastic and active committee to support the Group.

Scouting is currently more popular than ever in the UK and recruiting young people to join is easy. However the Wereham and Wretton Group are currently short of leaders and can only continue to provide the varied opportunities Scouting can offer by recruiting new adult volunteers.

You don't have to be an adventurer like Chief Scout Bear Grylls to get involved with Scouting, neither do you have to have been a Cub, Scout, Brownie or Guide to become a Leader. Do you have first aid knowledge? Or a flair for craft activities? Perhaps a DIY whizz or handy in the kitchen? We all have useful skills and you can volunteer and help in many ways. Volunteering is fun; the amount of time you give is up to you and the role can be adapted to fit in around other life commitments. Not all roles need to be done by just one person – you may have one or more friends or family members that would 'job share' with you.

Scouting gives adults a chance to get involved with their local community and to make a difference to the lives of young people. Volunteers are likely to find and develop new skills which may be difficult to gain in the workplace and enhance their team-working abilities.

The Scout Association has a wealth of resources to assist recruits and a range of training opportunities is available, both locally and online.

If you are interested in finding out more, please get in touch.

BARTON BENDISH 'PLACE NAMES' QUIZ SHEET

57 Not a dreadful oriental stallion! (6 5 4): Weston super Mare, 58 Sounds like a Potter character and its home (12): Peterborough, 59 Where the Queen's birds take to salty water (7): Swansea, 60 Layered orifice (8): Plymouth.

Thank you to all who took part in our quiz. There was a spelling mistake in clue no 48 "dessert" was printed and not "desert" which was the appropriate clue. However, a number of people did realise and answered it correctly. If a sheet had all answers correct apart from that clue and therefore had 59 out of 60 it was also placed in the draw, as the error was ours. There were 6 people in the final draw. Their names were put in a hat and the winner was Mrs J Highy from Beverley, East Yorkshire. We are pleased to say that approximately 150 people took part. Many thanks as always to the people who sell the quiz sheets on our behalf. We are urgently looking for more people who would be prepared to sell our quiz sheets - it does not have to be in big numbers, selling 5 is a great help - either locally or further afield. We currently have friends or relatives of locals selling in Somerset, Scotland and Cambridgeshire, or if you know of a business or organization that would be prepared to have a stand with some in to sell, please let us know.

Other charitable organizations are welcome to use part or all of this quiz sheet but we ask that a donation is made to St Andrew's Church Funds.

DEREHAM 5K AND 1K FAMILY FUN RUN

Feeling up to a challenge? Entry is now open for the fourth annual Dereham 5K run.

The 5K race starts on London Road, just to the south of the Recreation Ground, with a 2-lap loop of the town centre before finishing on the Recreation Ground; road closures and diversions will be operating in the town between 9-10am. For those who prefer something less challenging, there's 1K family Fun Run in the Recreation Ground.

Both runs will be held on Sunday 20 July 2014 at Dereham Recreation Ground, Station Road, Dereham. The event is organised by Breckland Council in partnership with Dereham Runners and supported by Dereham Town Council, Hire-a-lite Traffic Management Services and Parkwood Leisure.

For more information about the two races and how to enter, look on the Breckland Council website, www.breckland.gov.uk/dereham5k, or call Breckland on 01362 656870.

A FEAST OF ACTIVITIES FOR ALL AGES

The summer family favourite, 'Festival on the Farm' is back for a third year, with a packed programme for children - and the return of an extra-special guest, the Gruffalo.

The event will be held on Saturday 26 July from 10am - 5pm and is based in the beautiful grounds of Gressenhall Farm and Workhouse. Treats include a woodland survival camp where children and parents can learn to build fires and dens, a festival menagerie, the Tortoise Club, the Raptor Trust, Barry the Beekeeper, and a storytelling tent with local author Karen Clarke. Pif Paf Theatre is back with their bee guides Bombus and Borage, exploring all things Bees and Pollination. There will be tasty treats for sale from local food producers, as well as an Art Fair featuring work by local artists.

Even better, after paying the single admission charge all activities, with the exception of the Gruffalo Feast, are free.

The Festival is organised and funded by Breckland Council. The ticket price includes entry to the Gressenhall museum. Online bookings can be made at www.fotf14.eventbrite.co.uk (no card charges). The full programme of events for the day is available at www.festivalonthefarm.com or just call 01362 656870.

FESTIVAL OF FLOWERS

SATURDAY 26TH & SUNDAY 27TH JULY 2014

This year's Festival of Flowers, which will again be held jointly with Barton Bendish, will be held in St Mary's Church, Beachamwell.

The theme will be "Celebrations and Commemorations" as there are many events that people would like to celebrate and this year thoughts will also be with the commemorations of the start of The Great War in 1914. We hope many of you will feel able to get involved in this event and a circular will be sent out in the Spring asking for people to take part both with making a floral arrangement or by helping in other ways.

It is not essential to keep to the theme if you would rather not and we will be delighted to have offers of all types of flower arrangements. We would particularly like to hear from some-one who is willing to make our war memorial look very special.

BARTON BENDISH & EASTMOOR VILLAGE NEWS

Eileen Horton

Very sadly Eileen Horton passed away on April 22nd a few months short of her 90th birthday an event she had been looking forward to. Until her failing health prevented it she was always willing to lend a hand at village events and could often be found assisting with the raffle.

Eileen moved to Hatherley Gardens from Durham in the mid 1990s with her husband who sadly died a short while afterwards. Being unable to drive she then had to rely on other people to help her out with appointments and shopping. Dawn was one of these who had been friends with Eileen for 70 years, long before either of them moved to Barton. The Taskers too were very kind neighbours who helped her a lot particularly latterly when she was beset with numerous health problems as did Keith Benn.

Eileen had no family other than a younger sister who lives in London and a younger brother who emigrated to Australia to be with his daughter so all her friends in Barton became her immediate family.

Barton once again proved that it is not just a village but also a caring community. Rest in peace.

Easter Coffee Morning

I would very much like to thank everyone for contributing their time and making donations to our Easter Coffee Moring which raised £234 for the Village Hall. In context though, this didn't leave much in the way of change after paying the annual bill for insurance! We had a very impressive collection of Easter Eggs in the Tombola and prizes in the Raffle. Thanks so much to all those people who gave raffle prizes, Easter eggs, cakes and produce and to Joan who made a magnificent hat shaped cake covered with 184 eggs. Charles, grandson of Bob and Ann Lewing from Eastmoor, was closest to this number with his guess of 185. Special thanks also to those who manned the stalls and served refreshments on the day.

There were also some magnificent hats some of which were entered by the family of a newcomer to the village and which duly won prizes. How nice it is to have some fresh people joining in so thanks also to them.

Easter Chicks and Bunnies

Thank you so much to Joan Eves and Freda Rumball for their amazing hard work in producing so many beautifully knitted chicks and bunnies (filled with crème eggs!) that were sold to raise funds for St Andrew's. What started as 'Possibly we may sell 30' snowballed into hundreds and our final profit was an outstanding £380!!! - in the end we ran out completely and could have sold even more!! Our grateful thanks also goes to The Berney Arms who displayed them on their bars and who sold them so enthusiastically for us.

We are currently working on a 'summer range'- look out for them at our Open Gardens!!! - and have some great ideas for a similar items at Christmas.

If you enjoy knitting and would be willing to join our knitters (wool and patterns can be provided), or you have oddments of wool you would be happy to donate, please contact

BEACHAMWELL, SHINGHAM & DRYMERE VILLAGE NEWS

St. Mary's Church

Porch Roof Restoration and Repairs: Last month I asked for ideas and suggestions for raising the funds to repair the roof of our medieval porch which is now very urgent and I would like to thank the people who have come forward with helpful ideas and information – some of which have already been acted upon. Please continue to think of ideas because we urgently need to have the repairs done before the porch roof deteriorates further.

Beachamwell Half-Marathon: I would once again like to thank Carole and Brian Wilson for organising the Beachamwell Half-Marathon on Sunday 4th May and, on behalf of the Churchwardens and PCC, I would like to thank everyone who supports this marvellous event and makes it so successful every year. The event has, once again, raised over £1,000 and there will be Gift Aid added to much of this figure. I would like to also thank Carole and Brian for generously donating this to the fund for the repair and restoration of the church porch.

Open Garden's Day – Sunday 1st June: Our annual Open Gardens' Day is almost upon us and it promises to be a really enjoyable day. Please do come along and enjoy the gardens, the organ recitals, ploughman's lunches, afternoon

teas with lovely live music and much, much more including another opportunity to see the superb exhibition that the 'Connecting Threads' Group created for their "Walking Weekend" including the lovely quilt all of which will be on display in the church.

At our Vestry Meeting and AGM on 28th April Carole Wilson presented the church with a beautiful candlestick that Brian Wilson had carved from the wood of one of the yew trees that were felled last year. Carole and Brian had also made a candle from wax from their own bees. The candlestick is now on the altar of the side chapel in the church. On behalf of everyone I would like to thank Brian and Carole for a very

Festival of Flowers: By now you have probably received a flier through your door asking if you would like to take part in the Festival of Flowers being held in St Mary's Church in Beachamwell on Saturday 26th and Sunday 27th July this year. The theme this year is "Celebrations and Commemorations" but the organisers will, of course, also be very happy to have offers of all types of flower arrangements.

As you will also see from the flier and the advertisement in G4N help is needed in all sorts of ways such as stewarding in the church and helping with refreshments in the Village Hall. Please do let the organisers or myself know if you can help in any way at all.

Coffee Morning and Plant Sale: We held a very enjoyable and successful Coffee Morning and Plant Sale on Saturday 10th May and despite threatening clouds and the occasional showers it was hugely successful and we have made a profit of £220.00 which will go towards the cost of the flowers at the Festival of Flowers in Beachamwell at the end of July. At the time of writing there are still some lovely plants available so we are extending the Plant Sale for a couple of weeks and hope by the time this is published to have increased our funds.

Afternoon Teas: It is now the fifth anniversary and we are delighted that so many people regularly join us from Beachamwell, Shingham, Barton Bendish and other villages. We are particularly pleased this year that some younger families are joining us. I would like to thank everyone who helps by making cakes, putting the tables out, serving the teas and clearing up afterwards. There are a number of people who regularly turn up to quietly help organise everything and we are very grateful to them.

Beachamwell Half Marathon

41 participants and one dog took part in this years Classic. A bit chilly to start with but the day developed to be warm and sunny. It was good to see friends from Gooderstone, Foulton, Kings Lynn, Shouldham, Oxborough, Buckinghamshire and London and of course Beachamwell. Brian gave the usual Health and Safety Talk about the route and what the markers look like. He gave the "off" and in seconds the village green was empty. The going was really rough to start with and the sand thicker than ever. The children did very well to cope with it because I found it difficult and skidded a number of times. The two Stephens Bassett and Green were definitely out to win and they cycled the Course wheel to wheel, passing Marshals at great speed and very exciting to watch especially at the finishing line I am told. Did not see much wild life this

year but I think that's because we were making too much noise enjoying ourselves.

Well done to Ian Sandall our only Walker this year. I think that's because all the Wednesday Walkers were helping to Marshall.

Local History Group

On Monday 19 May a well attended meeting was the first step towards forming a local history group in Beachamwell. Speakers from groups in Fincham, West Dereham and Oxborough came along to describe how they are organised and after refreshments, those present drew up an extensive list of interesting subjects to investigate. There will be a meeting in Beachamwell Memorial Hall 7.30pm Thursday 12 June to decide the next steps. Do come along and find out more! **Leah Spencer**

WI

May is the month to vote on the Resolution that will go forward to the final vote at the Annual Meeting in June. "The NFWI notes that three people die every day whilst waiting for an organ transplant. We call on every member of the WI to

make their wishes regarding organ donation known, and to encourage their families and friends, and members of their local communities to do likewise". This Resolution was discussed in great detail and it was decided that Beachamwell would support the Resolution. More information can be found at www.organdonation.nhs.uk/campaigns 0117 975 7575.

Irene, acting President, dealt with the business side of things, including the arrangements for our Birthday Supper which will be held at 20 Church Wardens this year. Ann showed us some lovely craft ideas she had made

for the Village Fete and Christmas Fayre. Val has become totally "hooked" on crochet following the recent Crochet Workshop and she showed us her efforts which were brilliant considering she could not crochet before the Workshop.

BEACHAMWELL, SHINGHAM & DRYMERE VILLAGE NEWS

Refreshments were served by Brenda and Margaret.

We finished a very interesting and useful meeting by suggesting ideas for next years Programme. Thanks to Leah for organising this.

We welcomed Pauline Bennell, who has moved into the village, to the meeting and hope she enjoyed the evening enough to join us.

Thanks to Eileen for providing us with the Thought for the Month – “The only people who think there is a time limit for grief have never lost a piece of their heart. Take all the time you need”.

Parish Council

The Parish Councillors voted in at the recent Annual Meeting are:

John Adcock (Chairman); Diana Lambert (Vice Chair), Matthew Adcock; Brian Cockerill, Pat Clarke, Mark Powell and Tom Sanderson

Dates for 2014 - 2015 meetings. Everyone is welcome to attend as always.

2014: July 14th September 8th November 10th

2015: January 12th March 9th May 11th (Also Annual Parish Meeting)

It was decided that the Bottle Bank will not be moved for the time being.

It has been reported to the Parish Council, yet again, that someone is allowing their dog to foul just by the dog bin at Shingham. This is unpleasant and causing unnecessary stress to people who live close by. The dog bin was purchased in all good faith — please use it for the sake of your neighbours

Beachamwell Memorial Hall

Two more Pop Up Pubs are planned for Friday 6 June and Friday 4 July. Don't miss the opportunity to get to know new people and chat to old friends in the comfortable surroundings of our village hall. You could even bring along your dominoes ...

We are continuing to carry out improvements to the hall and by the time you read this there will be new curtains across the stage area and better storage facilities. A cushion-covering session is planned for June to make the chairs more comfortable. If you have any ideas for hall improvements or for activities for this year's Fete and Country Fair on Sunday 31 August, please contact Susie Davis (suedavis@afiweb.net)

Wednesday Walkers

Our May Wednesday Walk took us across Toot Hill to the Lodge and then along the little-used bridleway that leads to the Roman road now known as the A1122. We noticed the flinted surface and the thick old trunks of hawthorn and pines that indicated this was once an important and frequently travelled path. Indeed it was important. An eighteenth-century estate record book for Beachamwell reveals that, under the terms of his lease, the warrener had to convey *Rabbits or Conies fresh killed in their skins* to owners of Narborough Hall each year, and it would have been along this path, that the *harvest* was taken, leaving the warren at the Narborough Gate crossing the Roman road and so on to Narborough.

In June we will to walk the Shingham-Caldecote circuit and hope you will be able to join us. We are also planning to walk some evenings during the summer – watch this space!

Beachamwell Footpath Map

Apologies to Beachamwell residents who were expecting a copy of the new Beachamwell Footpath Map to be delivered with the May issue of G4N. The map has proved very popular and copies are going fast. Because of this, and the fact that many local people will have already picked up a copy, it seemed wasteful to deliver it to every address. However copies continue to be available at the Memorial Hall (in the new leaflet display rack in the entrance) and will also be in the Parish Church for Beachamwell Open Gardens on 1st June, where material from the Connecting Threads Exhibition will be on display again.

Otherwise please contact me and I will happily deliver a copy.

Horticultural Society

A very successful meeting was held in the Memorial Hall on April 23rd. Over 60 people came along to hear Allan Hale's talk 'A Birder's Year in Norfolk'. Allan showed a selection of wonderful slides and regaled us with amusing anecdotes and fascinating facts. £188 was raised for the society's funds. The evening was the first in a programme of monthly events, which we hope will appeal to a wide range of people in the village and surrounding area.

Don't miss this treat for garden lovers: On Friday June 27th a group visit has been arranged to a special garden near Dereham. 'Dale Farm is a 2 acre plant lover's garden with a spring fed lake. Over 700 plant varieties are featured in exuberantly planted borders and waterside gardens'. (ngs Norfolk 2014)

We will meet at Beachamwell Memorial Hall at 6pm then drive to the garden. Cost per person will be £7 to include tea and cake and the garden owners will donate proceeds to a gardening charity. Minimum group size needed is 10 (maximum 50) so please book early (01366 328536) to ensure that the visit takes place.

Horticultural Show August 17th: Contact Carole Wilson (01366 328628) to order your Beachamwell Giant Onions ready to grow and show on the day and if you aren't sure what the judge will be looking for, put 7.30pm Friday July 18th on your calendar because Roger Gore Row is going to explain ... more about this next month. In the craft section this year we will be asking entrants for a woollen garment so get busy with your knitting, crochet or weaving!

BOUGHTON VILLAGE NEWS

All Saints' Church

We've had our Quinquennial Inspection and await the report. The inspection happens every five years and the architect makes a thorough inspection of the building and points out any work that needs to be done. The report comes to the PCC and also goes to the Diocese of Ely. Last time we were told that the East Window needed work as the lead was beginning to bow, but we were able to raise the money to get that major repair done. It is to be hoped that nothing as major will be found this year. The architect, Ruth Blackman, looked at the recurring problem with plaster render falling on to the vicar's stall and she thinks it's due to a missing tile under the flashing, so that will need to be done. She was most impressed with the reordering and the new appearance of the building. We've had time to become accustomed to it, but last time Ruth was here the pews were still in place! The church's Annual Parochial Church meeting was on the 28th April and the elections took place for the next year. There were no changes and I was re-elected as churchwarden. I can't remember how many years this will make, but it must be nearly fifteen at least. Two new members were elected to the electoral roll and we welcome Jean and Morten McConnell to the village and to the church.

The annual swearing in of Churchwardens took place in Ely Cathedral this year and was conducted by the Bishop of Ely. Normally it's done by the Archdeacon in several different venues around the diocese, which covers the county of Cambridgeshire (except for three parishes in the south which are in the diocese of Chelmsford); together with the western quarter of Norfolk, a few parishes in Peterborough and in Essex and one in Bedfordshire. This means a long way to travel! It's rare for the Bishop to take over the ceremony and gather a thousand churchwardens and their clergy together in the cathedral, but for the moment there is only one Archdeacon who would have had to carry out sixteen ceremonies! If you use Facebook and look on the Ely page, there are several photos which did include the vicar and the Boughton churchwarden.

Sunday June 8th is Open Gardens Day and let's hope the weather is kind to us. Thank you to all the people who have opened their gardens again – it would be lovely to have some new gardens. The people who come round often travel some distance and they are really appreciative of the gardens. They don't expect Kew Gardens or public park perfection – sometimes they are reassured to see gardens just like theirs. If you can't open your garden, I hope you will

BOUGHTON VILLAGE NEWS

Remember this?

come round and meet the neighbours and help to raise funds to support the church in this village. Although it functions as a village centre now as well as a church, ultimately we are part of the Diocese of Ely and we have to pay our dues - the dreaded parish share. Among other things, that pays for our share of the vicar. We also have to pay for repairs and for heating and lighting. We don't have as many fundraising events as some villages – there aren't enough of us to run them and each village is different in its needs – but I hope you have planned to come along. If you can offer help on the day please do. Tell all your friends and family about it!. Let's make it even better than our previous record, when we had two hundred visitors and raised nearly £2000

BOUGHTON VILLAGE NEWS

News from Boughton Parish Council June 2014

The last couple of months have been busy in your Parish Council and here is a round-up of some of what we have been doing.

Accounts: Every year the parish council accounts are audited internally by an independent auditor, and then externally by the Audit Commission. We have successfully completed the independent audit where the auditor found the accounts to be 'well documented and in good order.' The accounts have now been submitted to the Audit Commission and we await their report in due course.

A.G.M.: At the AGM on 2nd May 2014 councillors voted to make charitable donations to two worthy causes. The East Anglian Air Ambulance and MAGPASS, the Emergency Medical Charity, which both cover our area, will each receive a £45 donation in support of their services. The Council wish to emphasise that the monies donated came from either the Wishing Bucket donations, or other fund raising events held by the council. No monies raised from the precept, your council tax, are used for such donations.

Playground: Councillors have carried out ongoing maintenance of the equipment following the annual safety inspection to keep out playground in good condition. Rear fence replacement, re-painting of guide rails and other items are examples of works carried out.

As the play equipment is now over ten years old your parish council are putting together a scheme to ensure we can gradually replace ageing or worn out equipment over the next five years, depending upon how well it stands up to usage. As the current replacement cost is circa £24,000 the council will investigate fund raising opportunities to ensure the burden does not fall unduly upon council tax payers. Look out for next report for how we intend to progress this.

Parish Council Meetings: For the coming year we are varying the days of the week upon which the meetings are held. This is to give parishioners more opportunity to attend the meetings. We tend to take it that few members of the public means we are doing a satisfactory job. BUT we would like to see more of you at our meetings, see what we do, and hold us to account for the decisions we make upon your behalf for the good of Boughton. Make a note of the new dates.

Do you have any idea what these could be?

I think they are attractive and obviously related to the mallards, but what else?

I've only seen one pair, which makes accidental crossbreeding seem unlikely.

Parish Council: The Annual Wereham Parish Meeting and the Annual Meeting of Wereham Parish Council was held on 13th May. Minutes are available from the Clerk on 01366 500527 or werehampc@gmail.com. The next Wereham Parish Council meeting will be held on Tuesday July 8th, 7.30pm at Wereham Village Hall. All are welcome to attend.

Wereham World War I commemoration Saturday, 8 November at 7pm

We are planning a heritage evening on Saturday, 8 November to commemorate World War 1 in the Village Hall.

It will be an entertaining evening with something for everyone, young or old. We are hoping to include:

World War I poetry readings, Stories about World War I soldiers,

A singalong of old songs such as Pack up your troubles,

A Piper playing a lament, A Bugler playing the last post,

A display of world war one memorabilia

Food and drink based on menu from 1914

We will be researching the names on the Wereham war memorial to see what we can find out about Wereham people's role in the war. If you have any stories, memories, memorabilia, information or ideas about what you like to see in the evening please contact Debbie or Ian Rye at the Old Chapel, Ben's Lane, Wereham Tel 01366502083 or 07863049677.

We are also looking for volunteers who would like to read poetry or stories or tell their own family story or make any other contribution to the evening. We aim to make this an entertaining and thought provoking event. **Debbie and Ian Rye**

Wereham Open Gardens

Just a reminder about Open Gardens in the village on June 15th from 1.45 to 5.30. Why not have a potter round the village gardens that are open and have tea and cakes at the village hall? We will have at least 8 gardens open, a plant stall, raffle and tombola. Salad lunches and filled rolls will served in the village hall from 12 onwards. (advance bookings taken).

It is a lovely way to spend a summer's afternoon and help the church funds at the same time. *Hope to see you in one of the gardens*

WEREHAM VILLAGE NEWS

May Update from Wereham Village Hall Committee

Meetings - Since our last update, we've had our AGM in April and an Ordinary meeting in May.

AGM – we welcomed residents of Wereham to the AGM who joined the committee in taking part in the Open Consultation & Focus Groups whilst enjoying a natter over a cup of tea. The AGM started on time, our treasurer John Eastgate delivered our end of year figures with a fantastic fund-raising success of £11,800 only to be thwarted by outgoings of £9,600 – a huge chunk caused by roof repairs and improvements to bring the hall up to Health & Safety Standards. I delivered the chair's report detailing our improvements to the hall & fund-raising efforts, thanking all those involved from the committee and FOWVH group for the outstanding fund-raising effort this year!

Ordinary Meeting May 6th–

Roger Collins was voted in as our Vice Chair and I was re-voted in as Chair.

Costs to replace the gas heaters were presented and discussed, with the decision taken to apply for funding (although this won't cover the total cost!).

For the purpose of completing the design brief, Committee visits booked to village halls at Dunham and Thornham.

New build Team reported 2 gaps in evidencing that will be resolved with 2 focus groups on the 15th May – Afternoon Tea & chat with our older retired residents and a Pizza Tea for the teens (11-17). Then the evidencing should be complete – hurrah! Next task will be to complete and cost the design brief to enable us to complete the Stage 1 Lottery Application.

Feedback from the Open Consultation and Focus Groups –

We had a great turnout at the Active Norfolk Event and few people attended the pre AGM meet. The combined feedback was;

Open consultation on options for the future of the hall -

Option 1 – do nothing, close the hall. Result 100% No.

Option 2 – Build a new hall in a different location. Result 58% No, 17% Yes, 25% Undecided.

Option 3 – Re-build on the existing Site. Result 100% yes.

Focus groups in response to top 4 social needs –

Adult Education – Computers for beginners/Internet café & Cookery classes were the top 2 needs.
